

WHAT IS THE PRECARIAT?

THE **PRECARIAT** IS A NEW FORM OF SOCIAL CLASS GROWING IN SOCIETY. PEOPLE IN THIS CLASS DON'T HAVE ENOUGH INCOME TO GUARANTEE STABILITY. THE VERY EXISTENCE OF THE CLASS SHOWS THE UNSUSTAINABILITY OF CAPITALISM.

DID FURLOUGH SHOW US IDEAL WELFARE?

GOING INTO COVID THE UK HAD A STEADILY DECLINING UNEMPLOYMENT RATE. AROUND THE WORLD WE HAVE SEEN SHARP INCREASES IN UNEMPLOYMENT DUE TO LACK OF APPROPRIATE WELFARE. THANKFULLY THE UK DEMONSTRATED HOW A SUCCESSFUL COMPREHENSIVE WELFARE SYSTEM COULD SUPPORT THE ECONOMY IN PREVENTING A SURGE OF UNEMPLOYMENT, BY OFFERING ALL WORKERS **FURLOUGH OF 80% PAY**.

WHAT IS GDP AND HOW IS IT FLAWED?

GDP IS PURELY A MEASURE OF THE ECONOMIC OUTPUT OF A COUNTRY. NOW WE SEE THAT THIS DOES NOT PROPERLY REPRESENT A COUNTRY'S GROWTH AND WE SHOULD FIND A NEW MEASURE FOR THIS.

What could make a wellbeing economy?

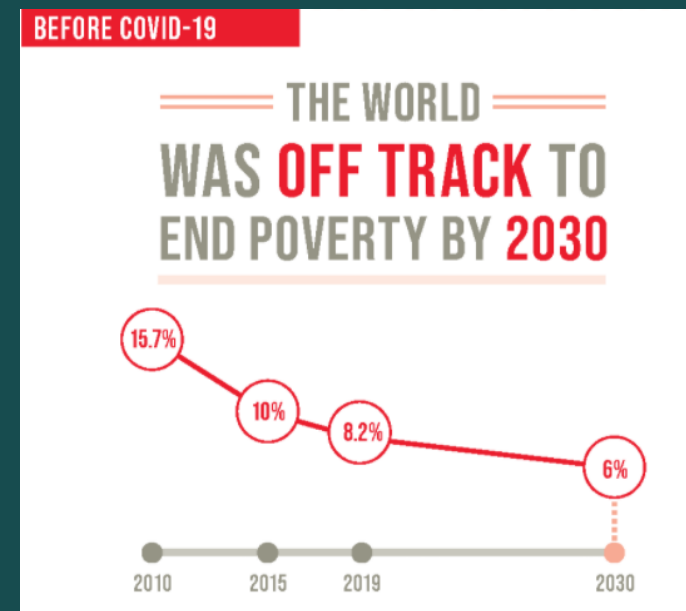

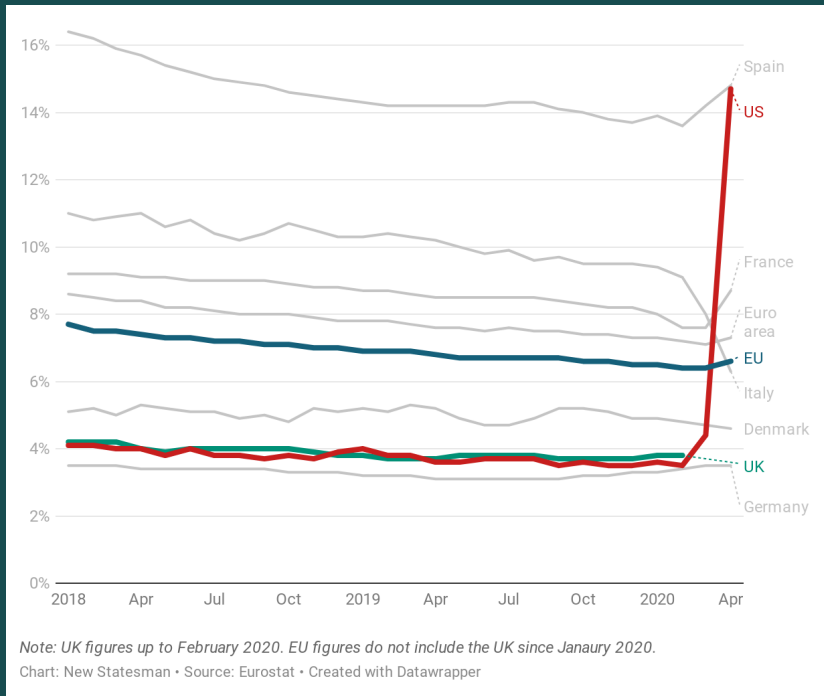

and how it can help our future

WHAT IS SUSTAINABLE DEVELOPMENT

SUSTAINABLE DEVELOPMENT IS SIMPLY DESCRIBED AS ECONOMIC AND GENERAL DEVELOPMENT WITHOUT COMPLETING ACTIONS WHICH WOULD PREVENT ANY FUTURE GENERATIONS FROM DOING SO. THIS CAN BE CHALLENGING TO UNDERSTAND BUT IT IS A USEFUL GOAL AS IT MAKES US ASK QUESTIONS OF HOW WE CAN IMPROVE AND CREATE A BETTER WORLD FOR ALL.

[HTTP://WWW.IYNF.ORG/2018/08/A-GUIDE-TO-SUSTAINABLE-DEVELOPMENT-AND-ITS-CHALLENGES-IN-DEVELOPING-COUNTRIES/](http://www.iynf.org/2018/08/a-guide-to-sustainable-development-and-its-challenges-in-developing-countries/)

INFOGRAPHIC, GOAL 1, SOURCE: [HTTPS://UNSTATS.UN.ORG/SDGS/REPORT/2020/](https://unstats.un.org/sdgs/report/2020/)

SUSTAINABLE DEVELOPMENT GOAL 1

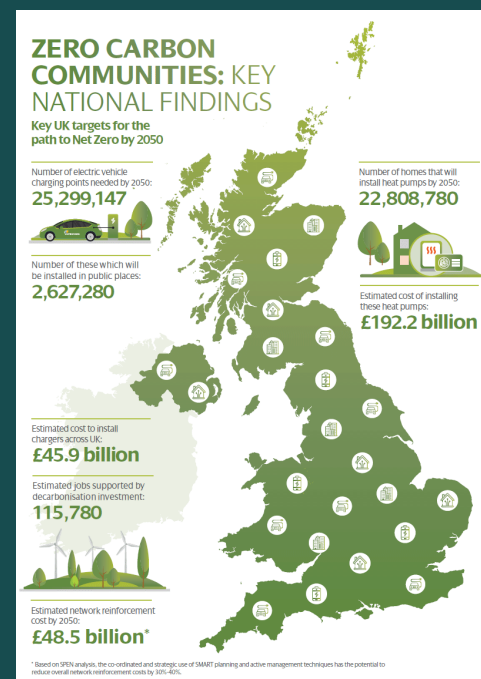

THE UN **SUSTAINABLE DEVELOPMENT** GOAL NUMBER 1 SHOWS US HOW WE NEED TO CHANGE THE WAY THE WORLD IS RUNNING TO ERADICATE POVERTY AND EVEN BEFORE COVID WE WERE OFF TRACK OF ERADICATING POVERTY BY 2030. WE MUST FIX THIS AND SUPPORT EVERYONE AS GLOBAL CITIZENS.

UNIVERSAL INCOME

COMING OUT OF COVID BRINGS UP THE IMPORTANCE OF EMPLOYMENT AND WAGE SECURITY AND SO HAS HIGHLIGHTED THE POTENTIAL FOR STARTING A UNIVERSAL BASIC INCOME TO PREVENT ANYONE FROM SUFFERING FROM POVERTY. SCOTLAND ITSELF IS CONSIDERING PILOTING A SMALL SCALE REAL-WORLD TEST BUT NICOLA STURGEON WOULD REQUIRE POWERS BEYOND HOLYROOD TO ACHIEVE THIS ACROSS SCOTLAND.

CARBON ZERO ECONOMY

IT'S CLEAR FROM STATISTICS THAT POLLUTION LEVELS DROPPED DURING THE PEAK OF THE PANDEMIC AND THEREFORE WE CAN PRIORITISE A SUSTAINABLE ECONOMY WHICH DOES NOT ABUSE CONSUMING LIMITED DANGEROUS RESOURCES SUCH AS CARBON. WE CAN SEE THAT A FUTURE WHERE WE ARE MORE SUSTAINABLE WOULD ALSO BE MORE AFFORDABLE IN THE LONG TERM.

SEDA

SEDA IS A NEW MODEL OF A COUNTRY'S SUCCESS AND GROWTH. IT ALLOWS US TO MEASURE BASED ON MULTIPLE FACTORS SUCH AS EQUALITIES, SUSTAINABILITY AND EDUCATION. THIS NEW MODEL SEEMS TO BE A PROMISING WAY TO TRACK THE REAL SUCCESS OF A COUNTRY WITHOUT NEGLECTING SECTORS LIKE CARE AND WILL ENABLE OTHER COUNTRIES TO LEARN FROM WHAT IS MOST SUCCESSFUL.
