

Enable the Resource Lists tool in Learn

Now that your list has been migrated to Leganto, please carry out the following short steps to ensure that the list is visible to students in Learn:

1. Log in to [Learn](#) and navigate to the course.
2. In the left-hand grey navigation, find and select 'Resource Lists'.
3. In the main content area, you will see the Resource List tool link item. **Note:** it will say *Availability: Item is not available.* This simply means it is not currently visible to students.

4. Navigate to the blue icon and click on the arrow to the right of 'Resource List'. Select 'Edit'.

5. Select 'Yes' against 'Permit Users to View this Content'.

OPTIONS

Permit Users to View this Content ☒ Yes ☐ No

Track Number of Views ☐ Yes ☒ No

Select Date and Time Restrictions ☐ Display After

Enter dates as dd/mm/yyyy. Time may be entered in any increment.

6. Click 'Submit'. You should no longer see the text saying *Availability: Item is not available.* The link to the resource list is now visible to students.
