# Assignment hand-ins for Learn: guidance for students

Please read through the following guidance well in advance of any submission deadline you have.

## Check file type

The Learn assignment tool will accept any file types but check the instructions for your course to see which file types are required for your individual assignment.

#### Check file size

If you are submitting very large files, this will affect the time it takes to upload...

#### **Internet Connection**

... We therefore strongly advise that you submit your assignment using a reliable and fast internet connection.

#### **Check Browser**

Wherever possible, use a computer and browser you are familiar with, or a computer in the public access labs, when submitting an assignment. You can check your browser compatibility from the Browser information box on the My Institution page inside Learn.

## Submission Deadlines

Do not submit the assignment minutes before the deadline, because then you will have very limited time to change computers or report a problem if there is one.

## Troubleshooting

If you do have a problem submitting your assignment try these troubleshooting steps:

• If it will not upload, try logging out of Learn / MyEd

completely and closing your browser. If possible try using a different browser.

- If you do not receive the expected confirmation of submission, try submitting again.
- If you cannot resubmit, contact your tutor by email attaching your assignment, and if possible a screenshot of any error message which you may have. (see below).
- If you have a technical problem, contact the IS helpline (<u>is.helpline@ed.ac.uk</u>). Note the course name, type of computer, browser and connection you are using, and where possible take a screenshot of any error message you have.

Always allow yourself time to contact helpline / your tutors if you have a problem submitting your assignment.
