

# Reporting on submission times in Gradescope

There are many times when you may need to check submission dates and times for coursework or exam hand-ins. The way you do so will depend on the mechanism used to submit.

The following instructions are for when a student has submitted via the Gradescope link within Learn.

Go to the course in Learn and find and select the link to Gradescope.

## **Submit via Gradescope**

Availability: Item is available, but some students or groups may not have access.

Enabled: Adaptive Release

---

Select the assignment name within Gradescope to open. Select Review Grades.
