

Assessment

Students taking Informatics courses can submit assignments in a number of ways.

I list some of the options available below. Each links out to further documentation and guidance. Please [get in touch](#) if you'd like to find out more.

[Gradescope](#)

[Learn assignment tool](#)

[Learn test tool \(online quizzing\)](#)

[Noteable \(Jupyter Notebooks in the Cloud service\)](#)

[Turnitin \(originality checking and online marking\)](#)

[WebPA \(peer assessment of group work\)](#)
