

How to access a live stream of your lecture

In some circumstances, your course organiser may enable the live streaming of their lectures. This is most frequently the case when timetable clashes prevent a student from being able to get to the classroom in time.

If this has been enabled, you can access the live stream the same way you access the lecture recordings.

Go to the Learn course page and navigate to the Lecture Recordings link (this is usually under 'Course Materials').

Lecture recordings

This provides you with access to any lecture recordings available for this course.

Locate the 'live' button next to the lecture you wish to access and select.
