The Digital Skills and Training team in Information Services are pleased to announce that the [Digital Skills Festival](#) is returning for its second year. The Festival is running between Monday 30th May and Friday 3rd June 2022, and it is free to attend to all University of Edinburgh students and staff.

Last year's Festival was a great success with 54 events running throughout the week, attracting over 1000 attendees. The Festival won the Staff Development Forum Developing Excellent Practice Award for its collaborative approach, relevance and inclusivity.

This year, the Digital Skills Festival is larger and running in a hybrid format. Over 60 events are taking place throughout the week, some online and some in-person in our training rooms in Argyle House and the Main Library. Presenters from within and outside of the University will cover topics ranging from social media engagement to learning technology. The programme is sure to include something for everyone.

Take a look at the [Digital Skills Festival](#) website to browse the programme and book your place.
