

# **Contemporary Art + Anthropology // // // Learning & Research Resources**

## **Resource List for Contemporary Art + Anthropology (link)**

Most of the materials that you may need to engage with on this course are on this Resource List.

'Resource Lists' is the Library's online reading list tool. It links to any Resource List associated with this course and provides access to key readings.

If you would like some guidance on using 'Resource Lists', have a look at this video.

## **Edutech Tools (link)**
