Type C: [Complaint] Card

Is it really that interesting?

Frankly, I don't get it.

Is this meant to be protesting... something?

I just can't relate.

Looks unfinished.

The quality's all over the place.

They all look  
much the same.

Hardly relevant  
to the theme.

Too highbrow.

Not very  
accessible.

### Type D: Forced Direction Interpretation

This represents  
fluidity

We deliberately  
left it  
incomplete

The rejection of  
aesthetics is a  
political act

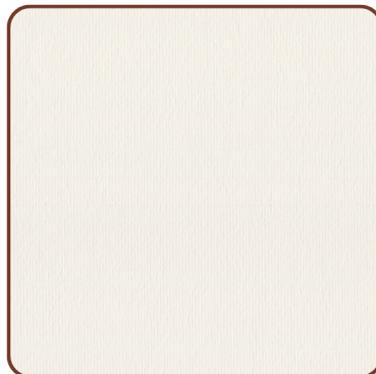

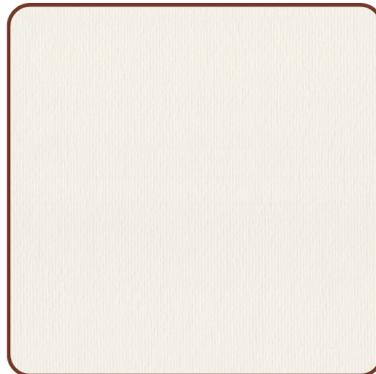

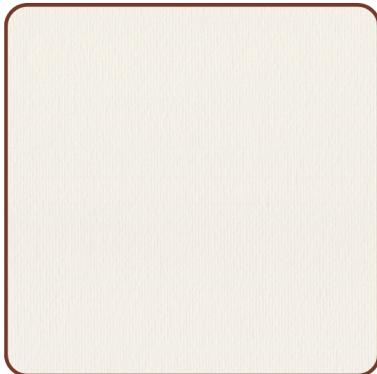

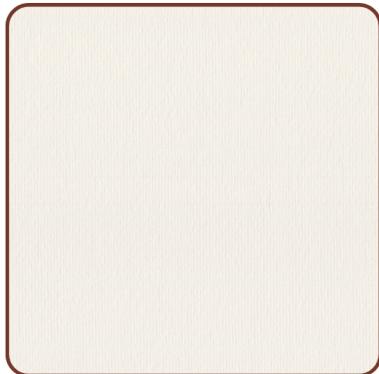

This challenges
