Proposed outline of sessions with working groups

1. Brief overview from a SG or related policy lead, of relevant emerging Scottish policy developments
2. Brief (5 minute) ORAL presentations from SSPH and SCPHRP researchers who currently have active projects in this field, funded or unfunded.
3. Forward planning. Each Joint WG should attempt to:
 - a. Identify some key goals, substantive foci, and related major activities for 2013-18 (or at least set out a process to do that, over the coming year)
 - b. State its preferred modus operandi to plan and carry out those activities (in terms of face-to-face versus e-meetings, leadership model, etc.)
 - c. Suggest how it could best contribute to improved integration across the four WGs in future
 - d. Identify further membership recruits, external partnerships, and SCPHRP support-elements that it will need to achieve its 2013-18 objectives

3.45 pm Coffee (Co-chairs to meet briefly, to synthesize each Working Groups' deliberations, on flip-chart, for plenary presentation, below)

4.00pm Plenary Wrap-Up Session:

- Synthesis of Breakout Group Discussions and Recommendations by Facilitators, followed by discussion All
- Final Remarks and Next Steps John Frank

5:00 pm Drinks reception to mingle, and network
