A photograph of a classroom setting. In the foreground, a blue desk is mounted on a black and white exercise bike. The bike has a black seat, black pedals with red straps, and a black flywheel. The desk is blue and has a blue basket filled with small colorful objects on it. In the background, there are more desks and chairs, and a green carpeted floor. The walls are light-colored and have some posters or notices pinned to them.

Building a Kinesthetic Classroom
