

LGBT+ Student Campaign

The LGBT+ Campaign is a space for any and all students who define as LGBT+ or with any other term that describes our community. The campaign aims to advocate for better student experience, provide community and support, and allow people to begin their own projects. Your elected officer (me!) and their (my!) committee is here to support you and ensure that your voice is heard at all levels of the University.

Please join the Facebook group to meet people with shared experiences, different backgrounds and interests.

You can also email me: lgbt@eusa.ed.ac.uk.
