Allison came to yoga and then Qi Kung (Chi Gong) after 3 decades as a nurse and midwife. She describes them as “something which keeps me sane(ish)!“ She is motivated to provide accessible and inclusive practices to enhance wellbeing for all people and loves teaching and practicing them. You can read more about Allison on her [website](#).

The Body Clock Flow is a sequence of Qi Kung movements and is a practice using the principles of Traditional Chinese Medicine in an easy to learn form.

We hope you enjoy this introductory session and we hope to run more opportunities to practice Yoga and Qi Kung with Allison in future.

The first session is: Mon, 25 May 2020 13:00 – 14:00 BST

LGBT+ Staff Network

I joined QMU last year, but was disappointed that there was no LGBT+ Staff Network. I learned that the previous network fizzled out several years ago, but after speaking with colleagues, we decided to revive it.

We have around 10 members, including one person who is not queer themselves, but is the parent of a queer person. We’ve only met once in person, but have been holding monthly lunchtime videocalls since March.

We’ve now got an email address- LGBTStaff@qmu.ac.uk, Twitter @QMULGBTStaff and an Instagram @QMULGBTStaff of which you are most welcome to follow/contact us through, though these are very bare-bones at the moment. We are working on getting a rainbow logo and webpage set up.

Looking forward to meeting you at some point in the future!

The Book of Queer Prophets

The Book of Queer Prophets, 24 short stories on sexuality and religion curated by former Stonewall CEO Ruth Hunt, will be published on 28th May.

The publisher Harper Collins advertised on Twitter if anyone would like a proof copy and we were lucky to receive one.

SPN volunteer Gina Roberts (who submitted her PhD on 30th April!) wrote this insightful review: https://www.ginamaya.co.uk/books-music/the-book-of-queer-prophets-curated-by-ruth-hunt.html and if you’d like to borrow it, get in touch.

At previous events we partnered with Lighthouse Bookshop and they are doing deliveries, if you’re interested in buying a copy:

STEM Equals at the University of Strathclyde

Like our sister project Evidence Base, led by the University of Edinburgh, STEM Equals at the University of Strathclyde is
one of eleven EPSRC funded projects under the Inclusion Matters initiative.

STEM Equals is a four-year research and impact project focused on creating more inclusive STEM communities for women and LGBT+ people in both academia and in industry.

Through an intersectional lens, the project examines working cultures within higher education and industry to understand specific challenges and to develop new initiatives to address systemic inequalities.

The project is funded by EPSRC with matched funding from the University of Strathclyde. The project industry partner is BAM Nuttall Ltd.

Read our latest newsletter Re/Act: Updates from the STEM Equals project.

Sign up to join us for our free event on 21st October LGBT in HE: Building networks, making change (spaces limited; registration required).

Stay tuned for soon-to-be-announced details for a special LGBT+ STEM Day event on 18th November.
